Avengers Endgame De-Feminized Fanedit aka Anti-Cheese-Cut aka Straight White Male Edition

Endgame, but shorter, no feminism, no gay shit, less boring filler, less sniffing its own farts, no constant quips, and other small changes.

720p x264, 192kbps AAC, 1h 25m runtime

Based on the V3 cam. Image rather good for a cam, audio great (line? no audience noises)

Changes in no particular order:
- Absolutely no Brie Larson, neither in the beginning nor in the finale. Hence Anti-Cheese. (Get it?)
